Mr. Thos. T. Wilson,
84 Claiborne St.,
Nashville, Tenn.

Dear Tom:

This is about the fourth letter I have written you and received no answer to, I certainly hope you will get this one and answer it right away. To begin with you are playing us here Sunday and in Trenton Saturday and I have been unable to get one word of publicity on the Team or the line-up. I have gotten some kind of line-up together judging from your last years Club, but I would certainly like to have the correct name and uniform numbers for Ruppert Stadium Sunday.

Now next Gottlieb and I have had several telephone conversations and we feel that there should be a Meeting of the Members this week to try and straighten out the Toledo situation, and also issue a public statement to the Press about the players who are jumping the League. We are having trouble with Evans, he has refused to go to Toledo, and I understand is expecting to leave for South America this week, and is trying to ~~take~~two of the other players along. Unless we get a statement in the Press and get word to the Ball players that they are going to suffer some sort of penalty, we need never be surprised when one of them goes.

Gottlieb has suggested that, due to the fact that all the Teams will be in the East this week-end, we should get together in Phila and pay Rigney's fare to come East, as his Team is not due to be in the East. The longer we put this off Tom the more difficult it is going to be to handle the thing. Why don't you as Chairman just send wires out to all the Members, asking them to get in Phila Saturday Night of this week. We will pay the bill for the wires out of the Treasury. Please wire me as soon as you receive this letter, so I will know you have it. I heard you were in Chicago, I hope you met with Success on your mission there.

Very truly yours,
